Invitation: /

Dear Sir/Madam,
S. N. Arts, And U. K. Commerce College, Akola, Shri. Ganesh Kala Mahavidyalaya, Kumbhari & Saraswati Kala Mahavidyalaya, Dahihanda, Tq. Dist. Akola in collaboration with Physical Education Foundation of India has organized one day Inter-Disciplinary National Conference on "Role of Higher Education In Making India Superpower (Rhemis2019)" to be held on 21st August 2019. We are pleased to invite you to register, participate and contribute high quality deliberations and make the event a success.

About Conference: /

India has successfully created one of the biggest higher education systems in the world. Quality of many top institutions is recognized to be comparable to the best in the world. By 2030, India will be amongst the youngest nations in the world. With nearly 140 million people in the college-going age group, one in every four graduates in the world will be a product of the Indian higher education system. Over the last two decades, India has remarkably transformed its higher education landscape. It has created widespread access to low-cost high-quality university education for students of all levels. With well-planned expansion and a student-centric learning-driven model of education, India has not only bettered its enrolment numbers but has dramatically enhanced its learning outcomes. The aim of the conference is mainly focused on the Role of higher education in making India superpower. The conference also aims to identify issues and challenges in the field of higher education in India.

About PEFI: /

Physical Education Foundation of India is one of the apex professional groups of country's top physical education teachers of the country and it has done outstanding work during the last decade for uplifting the profession and also dealt with all kinds of problems of the profession as well as problems of physical education teachers in the country. By dint of hard work the profession of physical education has achieved many mile stones and it has taken a shape on the lines of professional organizations in other disciplines.

Its head quarter is in Delhi and it has 22 state chapters. It has almost twenty five thousand registered members and the number is gradually increasing. All the top physical educationists (Ex Vice Chancellors, Principals of many colleges of Physical Education, Directors of University Departments of Physical Education, ex-officials of Sports Authority of India, Officers of Association of Universities and a large number of physical education teachers working in schools, colleges and universities all over the country) are associated with this organization in different capacity.
