1. EXECUTIVE SUMMARY

1.1 INTRODUCTION

Saraswati Kala Mahavidyalaya, Dahihanda has been established by Shri Sant Gajanan Maharaj Shikshan Sanstha, Akola on 28th June 2000 and now it is run by Karmyogi Appasaheb Pratishthan Sangwa (Mel), Murtizapur, Dist. Akola, Maharashtra. The college is located at Dahihanda, a historical place which is known for Mahatma Gandhi's 'Salt Agitation' and it is 35 km away from Akola District. The college campus is having 4 acres of land in which 3 acres for playground. This is the only senior college of Karmyogi Appasaheb Pratishthan Sangwa (Mel), Murtizapur, Dist. Akola with a single faculty of arts. The college is Grant-in-aid college and permanently affiliated to Sant Gadge Baba Amravati University, Amravati. The institution is registered under the All India Survey of Higher Education (AISHE) by MHRD and the Management Information System (MIS) of the Government of Maharashtra.

The college is aiming to educate youth, women & members from weaker sections in Dahihanda. We are making efforts to attain these motives by improving our own standards. We have been working tirelessly to produce ideal student, volunteers & citizens who will wholeheartedly contribute to national development. The college is always focusing on quality education along with quality and persistently making efforts to impart higher education to youth residing in Dahihanda & surrounding region which is our mission. With this mission the college offers a wide range of programmes for the students. At present 350 to 400 students are in the flow of higher education. These students are being trained in academics, co-curricular, extracurricular, extension programmes and sport activities.

It runs B. A. programme and Ph. D. Research Centre in the subject of Physical Education, Economics and Political Science of Sant Gadge Baba Amravati, University, Amravati. It runs seven courses namely English, Marathi, History, Economics, Political Science, Sociology and Marathi Literature. It has a study Centre (Code 11126) of YCMOU Nashik from 2017-18. YCMOU, Nashik runs B.A. & B.Com. (Marathi & English Medium) programmes. Today, it is a leading institution at Dahihanda with a consistent record of good results at the University, which is a hallmark of its quality and excellence.

Vision

- To impart quality education to rural youth and economically backward classes to enhance employability and life skills in terms of Arts, Culture and Sports and also grow the competitive spirit among our students.

Mission

- To provide excellent academic atmosphere and enhance quality education.

- To aim at overall personality development of the students through extra-curricular activities in association with various Social and Cultural organizations.
- To provide a platform to the students by giving them an opportunity to face all the challenges of the competitive world with almost utilization of their potential in sports, and other events.

1.2 Strength, Weakness, Opportunity and Challenges(SWOC)

Institutional Strength

- i) The college has the best eco-friendly premises.
- ii) Highly qualified and research-oriented faculty.
- iii) Three Research Centers for Ph.D. Scholars.
- iv) Career counseling & Competitive Exam Cell.
- v) The NSS unit of the college is very active and excellent in promoting social responsibilities among the students.
- vi) Achievements of Sports Department are excellent at various levels like University, State and National.
- vii) Tree plantation programmes.
- viii) The College has signed MoU's with the local Grampanchayat of Dahihanda and Garsoli, Unique Academy, Akola, PEFI New Delhi and Nehru Yuva Kendra, Akola.
- ix) Permanent affiliation
- x) Use of ICT in the teaching & learning process.

Institutional Weakness

- i) No hostel accommodation for students.
- ii) Students are from socially, economically, and educationally deprived classes and rural area.
- iii) Lack of non-salary grants from the government.
- iv) Moderate infrastural and ICT facilities.
- v) Limited placements of arts graduates and progression to higher education is very less in comparison with other professional courses.
- vi) Dropout rate is high due to economically & educationally backward classes.
- vii) Marriages of girl students before completion of graduation.
- viii) Water & Electricity problems being located in rural area.

Institutional Opportunity

- i) To introduce multi-faculty U.G. and P. G. courses.
- ii) To develop well equipped competitive exam center.
- iii) Scope to organize various level seminars, conferences, and workshops.
- iv) To upgrade our college according to NEP-2020.
- v) Develop ICT-based learning skills among students.
- vi) To provide job opportunities to the degree holders.
- vii) To motivate towards sensitizing to adopt way of self-employment.
- viii) Collaborative work with government, industries and NGOs.
- ix) To enhance the academic performance through IQAC.

Institutional Challenge

- i) To bring the rural and economically weak students into the mainstream of education.
- ii) To promote students to P.G.
- iii) To create self-employment and employment opportunities in private and public sectors for Arts Graduates.
- iv) To create environmental awareness to save and conserve nature.
- v) Retaining dropout students.

1.3 CRITERIA WISE SUMMARY

Curricular Aspects

The institution has devised a proper planning for effective implementation of curricular activities. The college follows university syllabus and prospectus. The annual plan is worked out through the daily academic diary. Departmental meetings are conducted at regular intervals regarding planning and implementation of the syllabus as per the guidelines of IQAC. We follow the system of syllabus completion, periodic reports. Along with regular classes, the college organises special lectures by various experts for effective curriculum delivery. The college has a provision of special remedial classes for slow learners. Feedback, suggestions and recommendations from the students, teachers, employer and alumni are addressed to the competent authority. Periodical internal assessment like home assignments, class seminars, projects, unit tests, surprise tests, book review, etc. are conducted by the faculty members. The college offered some certificate courses in different subjects. Most of the faculty members have been giving their contribution in paper setting, moderation and valuation work of the university. Cross cutting issues relevant to gender equality, environment and sustainability, human values and professional ethics are integrated by our institution into the curriculum. Various units in the curriculum cover these mentioned topics. Since the college follows co-education pattern it is necessary to overcome the issue of gender discrimination. Women Harrassment Cell is constituted by the college for this purpose. Environment studies is a part of Curriculum. It is mandatory for the students of 2nd year to pass the concerning examination. Anniversary of national heroes, tree plantation, blood donation, cleanliness drive, social work, etc cover the topics such as human values and professional ethics.

Teaching-learning and Evaluation

The college has a continuous assessment mechanism to enhance learning experience. Student centric methods such as experimental learning, participative learning and problem-solving methodologies are used. Extra lectures, classroom interactions, continuous counselling sessions, coaching, personal guidance, study tour and problem-solving session are conducted for learners. Guest lectures, essay competitions, singing competition and cultural programs are conducted. Modern ICT tools are used by the teachers effectively. Teachers prepare PPTs on syllabus and audio, video clips from internet are used for effective teaching. Class tests, unit tests are conducted. Home assignments, seminars, presentations, field works and excursions are arranged. Practical Examination, project work, viva-voce, poster competitions, exhibitions are conducted. The effective implementation of the evaluation and reform in CIE are carried out by the teachers. The college follows transparency in its internal assessment. Department Head monitors internal assessment. The examination committee sorts out grievances related to examination. The answer papers of examination are given back to the

students for analysis and future reference. All the enrolled students of each current year are grouped in a list, class wise and year wise proportionate with the number of existing faculties in the college. The listed students are allotted to each of the faculty as a guardian of the said students to promote learning among them. The faculty functions as students' support in matters of academic enhancement. They meet, discuss, clarify and share various problems which may be sometimes personal, domestic, and mostly academic etc. The teacher involves local guardians i. e. parents as well, whenever necessary. The students are asked to share their e-mail id and mobile numbers with the teachers and their peers, so that a social network is established. Slow and Advance Learner, Mentor Mentee Scheme is activated to provide proper knowledge and encourage the students. Time Table committee, IQAC and the principal monitor implementation with its adherence to the academic calendar.

Research, Innovations and Extension

The college has constituted internal academic research committee. It has been created a type of formal mechanism to establish a research culture. It functions as a system that encourages faculty members to enhance their teaching, research and administrative skills, as well as social services. Faculty members are encouraged to undergo professional development programmes, to organize and participate in Conferences, Seminars and Workshops. Teaching and non-teaching staff are encouraged to enhance their qualifications and pursue Ph. D programs. There is a Ph.D Research Centre for 3 subjects like Political Science, Economics and Physical Education. The institute has a well-defined and published research promotion policy. The main objectives of these research divisions are to contribute to the society through their research. The faculty publish their research through a leading publication firms. As an instance the present research output of faculty comprises the research papers published through reputed journals and conference proceedings. Besides, some faculty members published their chapters in Edited books. The teaching faculty published 65 Research Papers in reputed journals, 14 chapters in books and 05 UGC Care listed Papers.

Regarding Extension activities the institute has done a remarkable work in the nearby villages like Garsoli, Sukali, Kati-Pati, Ganori, Hingani and Dahihanda etc. In this concern the students' and staff's dedication towards extension activities which is for the betterment of society was highly appreciated by villagers and Gram Panchayat of these respective villages. The college has undertaken various programs to work on Swachh Bharat Abhiyan, AIDS, gender equality etc. A team of committed faculty members and various departments of the college engage students in community development programs such as NSS camp, Social awareness programs, women empowerment, tree plantation, voter's awareness, cleanliness of statues, environment awareness, eradication of plastic bags, blood donation camps, yoga and meditation camps, haemoglobin check-up, nutrition diet, literacy rally, etc

Infrastructure and Learning Resources

With a campus spread in large area, the college has building situated in Dahihanda village which is 35 Kms away from Akola district. The college is run by the parent society "Karmyogi Appasaheb Pratisthan", Sangwa Mel, Tq. Murtizapur, Dist Akola. The college provides and creates adequate learning resources and facilities. Updation and augmentation of infrastructure are done with the financial aid from the parent body as per requirement. Classrooms, administrative office along with principal's office and a Library are well equipped and furnished. ICT facilities with a computer lab are available as an additional teaching and learning facilities. We have 1 ICT Labs. Excluding the office, the college has total 18 computers with Wi-Fi facility for academic use. The college gives it's heed to NAAC and IQAC Cell. The college has a spacious playground with games

and sports facilities. Ancillary facilities are provided for indoor games. The college library is partially automated from the academic session 2018-2019 and is using Integrated Library Management System ILMS with e-granthalaya. It has a learning facility with three computer systems. The college provides/allocates funds in its annual budget for procurement, up-gradation and maintenance of ICT facilities. The college CDC is the topmost body constituted as per rules and regulations. Utmost importance is given to cleanliness and maintenance of the class rooms, administrative building, toilets and the whole premises.

Student Support and Progression

To create more supportive academic atmosphere for students the support staff of administrative section are always at front. Students are provided with the scholarship facility sanctioned by the government. All types of applicable scholarships are introduced to the students and eligible students are given support to apply for such scholarships. Moreover, in the student progression to higher education and employment is promoted and the teaching staff is engaged to look after this aspect through various academic committees like career guidance and students counselling committee. The record of student appearing to PG degree course is also maintained by these committees. The college has formed various committees for welfare of students. Women empowerment cell, women redressal committee, career counselling and guidance committee, anti-ragging committee are working seriously in this direction through transparent mechanism. Many students get benefited through skill enhancement initiatives such as ICT computing skills, soft skills, language and communication skills, yoga, physical fitness, health and hygiene. Students actively support and offer their participation in organising and arranging different programs and also give their suggestions and demands to the concerning authority. Positive recommendations and suggestions proposed by the alumni are taken into consideration. Alumni also contributes and supports in successful organisation of various events such as blood donation camp, health checkup camp, college annual function, tree plantation and other sports and cultural activities. Many students won awards and medals for their outstanding performance in sports and cultural competitions held at University, National, International levels. As per the existing rules and regulations, government scholarships and free-ships are provided to the needy and eligible students. Concessions and scholarships as per government policies are given to the students. Many of our students are highly benefited through the guidance provided to them about competitive exams by career counselling committee. After graduation, many of our students pursued and are pursuing their post-graduation studies. Many students aspiring to seek job in government or in other sectors are well placed in government or corporate or other sectors. The college has a registered Alumni Association that contributes in a various way to the college.

Governance, Leadership and Management

All the needs of the institution are looked after by the main bodies i.e. the governing body and CDC. These bodies monitor the details of meetings held and the decisions taken by the college development committee regarding finance, infrastructure, appointment, promotion of teaching and non-teaching staff, research and extension activities, etc. The issues concerning college development are frequently discussed by the management representatives during their visits. The institution provides various opportunities for overall growth of students to meet the vision and mission. Faculties have active participation in major decision-making bodies like CDC/IQAC there is a liberty for teaching and non-teaching staff members to share their suggestions and recommendations in staff council meetings. The decisions of the management are communicated to the staff by the principal. Head of every department is the root level observer having the authority to co-ordinate and to check the academic work. Each department takes its responsibility to assign teaching workload. Heads

provide their support in overall academic works. Proper initiatives have been taken by the college to render quality to its various units. The perspective plans and policies are prepared. These plans and policies are based on the activities proposed by various departments for the calendar year.

Institutional Values and Best Practices

Our college is situated in the rural area of Dahihanda. Belonging to nearby villages, most of our students mostly belong to backward communities such as SC, ST, OBC, VJ, NT, SBC that increases our responsibility as an institution and governing body. Therefore, it is our responsibility to bring them in main-stream of national education. The college ensures highest priority to safety and security of students, staff and infrastructure of the college. Not a single incident regarding the safety and security of the students ever occurred since establishment of the college. The college organises various programs, activities, seminars under women empowerment committee for generating positive energy and outlook for students' emotional, intellectual social and interpersonal development. The College campus is always kept clean and waste-free. A concerning committee pays attention towards maintaining expected cleanliness. It resolves issues of cleanliness and waste disposal. We attempt to maintain plastic bag free campus. There is a bore-well is used for maintaining greenery in the campus. Attempts have been made to save energy through use of low power consuming appliances like LED bulbs, tube lights, etc. By celebrating anniversary of great personalities, attempts are made to cultivate their thoughts among the students. Complete transparency is maintained while conducting different auxiliary functions. Keeping in view healthy citizens as an asset, the college implemented **Two best practices** namely **1. Environmental Awareness Campaign- Practice for Better Tomorrow, 2. Health Awareness Program**

Institutional preparedness for NEP

1. Multidisciplinary/interdisciplinary:	<p>The college is affiliated to Sant Gadge Baba Amravati University, Amravati where Academic programmes are redesigned to include Multidisciplinary /Interdisciplinary courses as electives and the college started offering these electives to students. From the session 2017-18, Semester Pattern has been implemented by the University. The CBCS pattern has been introduced from the session 2022-23 for the B.A. First Year students. In order to provide holistic academic growth among students, Inter-disciplinary curriculum has been proposed which gives freedom to the student to choose their preferred options from the range of programmes offered by the institution. All</p>
---	---

	<p>the courses offered by the college are Choice Based Credit System (CBCS). A few of them also include value-based and environment-based subjects like professional Ethics, Environmental studies. All programmes are designed in such a way that students get maximum flexibility to choose elective courses offered by other Departments and MOOC through SWAYAM. It can be said that the college is proactively working towards the implementation of the suggestions given in the NEP 2020 Guidelines.</p>
2. Academic bank of credits (ABC):	<p>Our college preparedness in the implementation of the Academic Bank of Credits conforms to the guidelines of the affiliated university i.e., Sant Gadge Baba Amravati University, Amravati. SGBAU being a state university is an official member of the National Academic Depository which is a government endeavor to offer an online repository for all academic awards under the Digital India Programme. From the session 2022-23 onwards, SGBAU is in the process of uploading students' mark sheets and degree certificates through the nad.digitallocker.gov.in platform through its affiliated colleges. The National Academic Bank of Credits (ABC) portal has now been integrated into the NAD portal https://nad.digitallocker.gov.in platform and is currently live from the academic year 2022-23 onwards. SGBAU follows a choice-based credit system (CBCS) for all its programmes and is now in the process to pass a resolution related to the ABC in the Academic Council. SGBAU will formally register in the ABC portal as soon as the resolution is being approved by the higher academic bodies. For this purpose, Institute is in the process of creating a centralized database of college students.</p>
3. Skill development:	<p>All the programs, social and environmental concerns, academic, employability, and personality development initiatives of the college are rooted in a holistic and integrated process of learning along with the curriculum under NEP. Real-life experiences related to rural life, professional development along with communication skills have been imparted through various innovative activities with the help of professionals in the concerned field. The various associations in the college keep good track of yearlong programmes for the holistic development of the students. During the admission time itself, students enlist their preferred and enroll in various</p>

	activities like NSS, Sports and Cultural activities they are interested in.
4. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course):	In order to promote /integrate the local language, art, and culture, it is the regular practice at college that all NSS activities conducted in adopted villages are compulsorily executed in the local Marathi language. In Youth Festival organized at SGBAU University level, our students are actively participating in various cultural events. As most of our students are from rural areas of the Vidarbha region they can share their thoughts in any language. As a part of the curriculum as per Sant Gadge Baba Amravati University gazette 2021 Part one -205, direction No. 42/2021 Date 09/08/2021 mandatory provision of conducting Induction Programme of 15 hours duration from the session 2022-23 onwards.
5. Focus on Outcome based education (OBE):	All the programmes are offered as outcomes-based education (OBE) which are designed keeping in mind the regional and global requirements. The course outcome of every subject is well defined in the curriculum itself by the university. The Institute has implemented outcome-based education with clearly stated Programme Outcomes, Programme Specific Outcomes and course outcomes from 2021-22 onwards. All courses are designed with outcomes centred on cognitive abilities namely Remembering, Understanding, Applying, Analysing, Evaluating and Creating. Apart from the domain-specific skills, learning outcomes at all levels ensure social responsiveness and ethics, as well as entrepreneurial skills so that students contribute proactively to the economic, environmental and social well-being of the nation. The Course Objectives (COs) are also aligned to the PO-PSO. The programme assists in developing the ways of expression in a variety of forms & texts in students. This programme provides a number of opportunities for employment by undertaking creative writing, teaching, research work, and critical writing as their profession.
6. Distance education/online education:	The institution is already prepared, especially during the COVID-19 pandemic situation and teaching-learning process through different online modes likewise different applications, Google Classrooms, WhatsApp, etc. As the college is situated in the utmost rural area not a single internet service provider is ready to provide service therefore we are

	<p>using internet through Router with 10 Mbps Speed and having some limitation but very soon we are trying to overcome from the problem. In the post-pandemic period, the online learning experience has been adopted by the faculty and students to full advantage of the flexible blended mode of teaching-learning. From 2020 onwards departments are exclusively using Google Classroom for sharing learning content with students for most of the subjects/courses. The department of Sociology, Political Science and Physical Education have organized seminar and workshop. During Covid -19 pandemic various programs, meetings, and seminars for students and Ph.D. scholars were also organized by the institute via online platform conducting conferences and meetings.</p>

Institutional Initiatives for Electoral Literacy

1. Whether Electoral Literacy Club (ELC) has been set up in the College?	<p>Yes, An Electoral Literacy Club is a platform to engage College students through interesting activities and hands-on experience to sensitize them to their electoral rights and familiarize them with the electoral process of registration and voting. Electoral Literacy Clubs are especially being set up in colleges all across India targeting the new voters, (in the age group of 18-21 years old) pursuing their graduation. The club will have all the students from all semesters as its members. The club encourages students as well as new voters from the surrounding villages to take part in the election process, register themselves on the voter's list, and also conducted a demonstration of the EVM machine.</p>
2. Whether students' co-ordinator and co-ordinating faculty members are appointed by the College and whether the ELCs are functional? Whether the ELCs are representative in character?	<p>The students' coordinator and coordinating faculty members are appointed by the College. Prof Dr. Yogesh Wadatkar, Associate Professor, Dept. of Political science is in-charge/ convener of this college ELC. The ELC is functional which has been carrying out activities in and out of the college campus that help to bring about voters awareness. The membership of this club includes teachers and students of this college.</p>
3. What innovative programmes and initiatives undertaken by the ELCs? These may include	<p>These clubs aim to educate students on various aspects of the electoral process and encourage them</p>

<p>voluntary contribution by the students in electoral processes-participation in voter registration of students and communities where they come from, assisting district election administration in conduct of poll, voter awareness campaigns, promotion of ethical voting, enhancing participation of the under privileged sections of society especially transgender, commercial sex workers, disabled persons, senior citizens, etc.</p>	<p>to participate actively in it. Activities a) New Voter Registration: ELCs encourage students to register themselves as voters and also assist in the voter registration of communities where the students come from. This helps in increasing the voter turnout in elections. b) Voter Awareness Campaigns: ELCs organize voter awareness campaigns to educate students about the importance of voting, the electoral process, and the role of citizens in a democracy. c) Promotion of Ethical Voting: ELCs promote ethical voting practices and discourage malpractices such as vote-buying and booth-capturing. d) Participation of Underprivileged Sections: ELCs work towards enhancing the participation of underprivileged sections of society in the electoral process. This includes disabled persons, senior citizens, and other marginalized groups.</p>
<p>4. Any socially relevant projects/initiatives taken by College in electoral related issues especially research projects, surveys, awareness drives, creating content, publications highlighting their contribution to advancing democratic values and participation in electoral processes, etc.</p>	<p>The ELC takes initiatives that are socially relevant to electoral-related issues, especially awareness drives, creating content, and publications highlighting their contribution to advancing democratic values and participation in electoral processes. 1. To help the target audience understand the value of their vote to ensure that they exercise their suffrage right in a confident, comfortable, and ethical manner. 2. To develop a culture of electoral participation and maximize informed and ethical voting and follow the principle 'Every vote counts' and 'No Voter to be Left Behind'.</p>
<p>5. Extent of students above 18 years who are yet to be enrolled as voters in the electoral roll and efforts by ELCs as well as efforts by the College to institutionalize mechanisms to register eligible students as voters.</p>	<p>The students above 18 years who are to be enrolled as voters are sensitized about democratic rights which include casting votes in elections. We conduct mock polling activities to give experience-based learning of the democratic setup. We also conduct poster presentations, debates, mock parliaments, elocution, essay writing, and other programs that create awareness regarding electoral procedures.</p>

4. Quality Indicator Framework(QIF)

Criterion 1 - Curricular Aspects

1.1 Curricular Planning and Implementation

1.1.1

The Institution ensures effective curriculum planning and delivery through a well-planned and documented process including Academic calendar and conduct of continuous internal Assessment

Response:

As the institute is affiliated to Sant Gadge Baba Amravati University, Amravati. The institute has to follow the curriculum designed by University however efforts are taken to enrich the curriculum by taking following measures:-

- The college, being affiliated to the university, does not have the option to formulate its own curriculum. Nevertheless, a sincere effort is made to modify and enrich the curriculum to suit the requirement of students through the involvement of faculty.
- A comprehensive teaching plan.
- The Principal addresses the newly admitted students.
- Inauguration of all subject associations.
- Unit Test and Common test are conducted every semester and their results are displayed and discussed with the students in the classroom. The test papers are given to them for introspection.
- Intra-departmental meetings for the review of the teaching, planning of unit tests, seminars, etc. are also conducted.
- Assignments, seminars, and projects are given to the students under the supervision of the faculty.
- Guest lectures of eminent faculty members from other institutions are arranged.
- The faculty members encourage the students to read the reference books and to take the use of e-resources.

The Academic Calendar: The College follows the University Calendar and the college prepares its own Academic Calendar. The committee prepares the session calendar of the college. It comprises various curricular, co-curricular, and extension activities.

- All the faculty members prepare their teaching plans at the beginning of the session as per the prescribed syllabus of the university and implement them accordingly.
- The Time Table Committee of the college prepares the time table as per the guidelines of the affiliating university.
- The Teachers maintain the daily diary and Hon'ble Principal monitors it.
- The Examination Committee prepares the schedule of the unit /periodical tests. The schedule is implemented to evaluate the students.
- At the beginning of the session, a comprehensive test (Slow & Advanced Learners) is conducted to classify the students.
- As per the classification, teachers conduct remedial classes for the weaker students and special counselling for the advanced students.
- Faculty members are available after the lectures to clear the doubts of students.

- Simplification of Teaching and planning Dairy is maintained by faculty.

Teaching and Planning Diary:

- The teaching plans are prepared as per the timetable at the beginning of the academic year.
- Faculty members strictly follow the time table of the curriculum given by the college.
- For the effective implementation of the curriculum faculty members maintain the record of the students.
- The teaching, planning dairy, and attendance are monitored by the IQAC & Principal.
- The self-appraisal of faculty is prepared in consultation at the end of every academic year.

Teaching Aids:-

Every subject teacher uses teaching aids to make teaching effective.

Chalk & Board.

Computer & LCD Projector.

Plans for Internal Assessment:-

- Institute conducts internal examinations of all subjects in each session as per the guidelines of the affiliating university and one unit test and one common test for all subjects are also conducted.
- Continues monitoring of the students as a part of internal assessment.

1.3 Curriculum Enrichment**1.3.1**

Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability in transacting the Curriculum

Response:

Since the institute is affiliated to SGB Amravati University, Amravati. The institute has to follow the curriculum designed by University however, efforts are taken to enrich the curriculum by taking the following measures:-

- The college, being affiliated to the university, does not have the option to formulate its own curriculum. Nevertheless, a sincere effort is made to modify and enrich the curriculum to suit the requirement of students through the involvement of faculty.
- The college has always actively responded to the burning issues of society. To integrate crosscutting issues like Gender, Climate change, Environmental Education, Human Rights, ICT etc. into the curriculum. The Institution undertook the following efforts.

Professional Ethics:

- To inculcate discipline, uniform is compulsory for all the staff and students. Birth and death anniversaries of great leaders and exponents are organized to inculcate moral and ethical values among the students.
- Syllabi of the arts and humanities promote civic and social responsibility and citizenship among the students.
- Organization of guest lectures on various subjects.

a) Employable and Life Skills:

- The college has started the courses of "Personality Development in Marathi" and "Certificate course in Yoga" from the session 2018-19 till now.
- The College provides basic knowledge of computers to the students.
- Workshops, seminars, debates and elocution competitions are organized to develop students' LSRW skills.

b) Better Career Options

- The College has a career counselling cell through which students are given guidance about the competitive examinations and job opportunities in various sectors such as Armed Forces, Banking, Railways, and Education. The college has organized competitive exam workshops and examinations in collaboration with Unique Academy, Pune.

c) Community Orientation:

- The institution regularly organizes community-oriented programmes like Blood Donation Camp, AIDS Awareness, Environmental awareness programmes, Work as a Corona Warrior, Visits to old age homes, Pulse Polio expeditions (NSS), Population awareness, Road Safety Week, Eradication of superstition, Free eye check-up camps, Free medical check-up, Save the Girl, Dowry Prohibition, Voter awareness Program.

Gender Sensitization:

- Organization Seminar on "Human Rights on Education" by the Political Science department to create awareness about Natural and Fundamental Rights.
- The syllabus of Political Science deals with the issue of Fundamental Human Rights.

- The institution conducted various programmes like Street plays, Rangoli competition, poster competition, essay competition, elocution competition, rallies etc. to create awareness in the society.
- As per the directions of the affiliating university, the college has established a Women's Grievance Cell.

Climate Change and Environment:

- Awareness rallies and programs are organized by the N.S.S. unit on climate change and the environment.
- Environmental Studies is a compulsory subject for all second-year students. It deals with the issues of Nature, Environmental Studies, Social Issues and the Environment, and Human Population and the Environment.
- The college organizes tree plantation programmes in the campus on the 15th of August, and 26th of January every year.
- The college has created Green Zone to get ample amount of oxygen within the campus.
- NSS unit organized tree plantation programmes every year at the college campus and at NSS adopted village.

2.2 Student Teacher Ratio

2.2.1

Student – Full time Teacher Ratio
(Data for the latest completed academic year)

Response: 73.6

2.3 Teaching- Learning Process

2.3.1

Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences and teachers use ICT- enabled tools including online resources for effective teaching and learning process

Response:

Saraswati Kala Mahavidyalaya, Dahihanda undertakes many **student-centric methods** for enhancing learning experiences. One such method is **Mentoring System for Students**.

Need Addressed & the Context: Students undergo various problems of stress. Considering the student teacher ratio in classrooms, it is impossible at times to give personal attention to every student in class. One solution, therefore is a Mentor who can form the bond with students in the true sense. Mentoring is required for students to achieve emotional stability and to promote clarity in thinking and decision-making for overall programme. For which the college student Guardian Scheme in the college.

The Practice: All the enrolled students of each current year are grouped in a list, class wise and year wise proportionate with the number of existing faculties in the college. The listed students are allotted to each of the faculty as a guardian of the said students to promote learning among them. The faculty functions as students' support in matters of academic enhancement. They meet, discuss, clarify and share various problems which may be sometimes personal, domestic, and mostly academic etc. The teacher involves

local guardians i. e. parents as well, whenever necessary. The students are asked to share their e-mail id and mobile numbers with the teachers and their peers, so that a social network is established.

Evidence of Success: Evidence of success of the practice includes better results in the examinations, more regular attendance, increased participation in co-curricular activities, better discipline on campus and respectful relationship between teachers and students. Prospects of turning out as a well adjusted citizen and a responsible human being also increases through this process.

Resources: This practice requires well committed teaching staff that has the desire to help students beyond teaching hours and infrastructure to do so in terms of classrooms and a conducive atmosphere. Another such method is **Teacher-Ward Tutorial System**.

The Practice: This practice is evident in the initiative of **Slow and Advance learners** as mentioned above. It helps the slow learners to reach the minimum qualifying level and the advanced learners to the height of excellence. The high achievers are often left without challenges to employ their full potential. The slow achievers do not have even the minimum skills to cope with the demands of the course of study. From this context arises the need to level proficiencies and offer appropriate help for holistic development. The college has constituted **Career Guidance and Placement Cell** which indicates students centric approach in imparting higher education. This cell helps students in their plans for future development and progress.

2.5 Evaluation Process and Reforms

2.5.1

Mechanism of internal/ external assessment is transparent and the grievance redressal system is time- bound and efficient

Response:

The institution has an efficient mechanism of internal and external assessment which is transparent in the conduct and also in the rectification of grievances. The grievances are solved with utmost priority in a timebound manner. The institution strictly follows the guidelines of the affiliated university while conducting the internal assessment at the end of each semester.

Regular classes of B.A. Semester I, Semester III and Semester V get started in the month of July every year. Within two months from the commencement of the new session Class-Tests are scheduled to be held by each of the subject teacher on the course completed. The schedule of Class-Tests continues till the end of each of semester as per subject teachers unit wise teaching in general in the class room. The students are provided with the corrected answer-scripts of their performance in Class-Tests so that they can be aware of their mistakes. If the students express their difficulties in understanding the questions which were set in the Test, the questions and the topic on which such questions were set are discussed in the lecture-hour by the faculty member.

The students are further advised to write the answers to the same questions as home assignments with the suggestions and modifications made by the examiner of the Class-Test. However, the internal assessment score sheet record of students on the basis of their class test and assignment, group discussion are prepared towards the semester end final examination conducted by the University. Tests are arranged for the First, third and fifth semester students. The results are generally communicated to students after class test by teacher preparing their result sheet. All the students are allowed to go through their corrected answer-scripts after they are provided by the teacher before formal declaration of the results in the class room by the concerning faculty members. The interaction between the parents and the faculty members is considered to be conducive to the improvement in the performance of the students.

The Semester end final examination is conducted by the SGBAU University of

Amravati. The Second semester classes generally commence in the month of January after completion of Odd semester examinations. There is a redressal mechanism related to internal examination grievances which are supposed to be solved by the Grievance Redressal Committee. The same complaint committee deal with the internal complaints of students regarding teaching learning and evaluation. However, till today very few students have lodged written complaint, hence, most of the issues are solved by the faculty in-charge in persons.

2.6 Student Performance and Learning Outcomes

2.6.1

Programme Outcomes (POs) and Course Outcomes (COs) for all Programmes offered by the institution are stated and displayed on website

Response:

At the end of the Programme- B.A. (Bachelor of Arts) graduates will be able to

1. To appear for various competitive examinations in government and corporate sector.
2. To become employable in industries, tourism, media, hospitality etc.
3. The students also learn the reading, writing, speaking, interpretive, composition skill in two languages at end of program.
4. The program provides the base to be the responsible citizenship.
5. The students gain knowledge in field of social sciences, humanities and literature.
6. The students will also be equipped to start up their own business.
7. It helps them to think critically about any issue.
8. After graduation it will be better able to appreciate the literacy and cultural diversity.
9. The development of sociological sensibility among the students.
10. To study the Indian society and awareness about Indian culture & History

Arts & Humanities Course Outcomes:

A] English :

1. Basic knowledge of English language and grammar
2. The knowledge of soft skill development
3. Use correct English in oral as well as written form
4. Knowledge of great philosophers
5. Be encouraged for further depth education
6. Critical Analysis of poem
7. Critical Appreciation of prose
8. Viva-Voce
9. Group Discussion, Seminar

10. LSRW Skills

11. The knowledge of English Grammar & Communication Skills.

B] Marathi & Marathi Literature:

1. The availing the job opportunities in translation, transformation, and in media
2. Develop reading, writing and communication skill
3. Get information about literary theories
4. Get information about the history of saint literature
5. Be encouraged for further depth education

C] History:

1. Understand the basic themes, concepts, chronology and the Scope of Indian History.
2. Understand the history of the various countries other than India with comparative approach
3. To study further in the applied field of history as archaeology.
4. Students will produce their own historical analysis of documents and develop the ability to think critically and historically when discussing the past.
5. Critically recognize the Social, Political, Economic and Cultural aspects of History

D] Political Science:

1. Knowledge about political system of the nation.
2. Study of national and international political affairs.
3. Getting knowledge of Constitution of India.
4. Getting knowledge of political laws.
5. Understanding the government mechanism, its functions, duties and responsibilities.

E] Sociology:

1. Knowing the significance of social institution, caste system, religion, nationalism, integrity, equality and justice
2. Getting the knowledge of the works of social reformers all over the nation
3. Ability to deal with research in sociology
4. Getting the deep knowledge about various social groups like tribal community, women bulk
5. Be encouraged for further depth education

F] Economics:

1. Understand basic concepts of economics.
2. Write and discuss economical issues at national levels.
3. Develop an ability to suggest solutions for various economic problems.
4. Developing research knowledge in economics.
5. The basic knowledge of banking sector

File Description	Document

Provide Link for Additional information	View Document

2.6.2

Attainment of POs and COs are evaluated.

Explain with evidence in a maximum of 500 words

Response:

The process of attainment of **POs** and **COs** starts from writing appropriate POs and COs, which are based on the Vision & Mission statements of the college and the respective programmes offered. Programme outcomes are broader and all-inclusive attributes that a student displays at the end of the specific programme like B.A. The discussions focus on the points whether course assessment methods taken up by the respective departments emphasize on the achievement of learning objectives stated in the form of Course Outcomes which describe what students are expected to know and be able to do at the end of each course. These relate to the skills, knowledge, and behavior that students acquire by the completion of the course. Attainment is reflected when COs have to incorporate the POs for the successful actualization of outcomes.

The college used two assessment methods

1. Direct Assessment methods

2. Indirect Assessment methods

Direct Assessment methods like Continuous Comprehensive Evaluation (Formative assessments) as a part of Internal assessments are done through Assignments, Projects, Unit Tests, Student Seminars, Poster Presentations, Quizzes, etc, which account for 20 marks.

The indirect assessment for COs is also taken.

3.2 Innovation Ecosystem

3.2.1

Institution has created an ecosystem for innovations, Indian Knowledge System (IKS), including awareness about IPR, establishment of IPR cell, Incubation centre and other initiatives for the creation and transfer of knowledge/technology and the outcomes of the same are evident

Response:

Regarding research and creating ecosystem for innovations the college has created the academic mechanism as under:

The research committee:

The college has constituted internal academic research committee. It has been created a type of formal mechanism to establish a research culture. It functions as a system that encourages faculty members to enhance their teaching, research and administrative skills, as well as social services. Faculty members are encouraged to undergo professional development programmes, to organize and participate in Conferences, Seminars and Workshops. Similarly, this committee collect a data base of the research output of the faculty during the ongoing session for documentation. They also encourage the Faculty members to undergo all types of professional development programmes as well as

inspire them to organize Conferences, Seminars and Workshops in the college also. It is in purview of the management that in some special cases a Duty Leave. Teaching and non-teaching staff are encouraged to enhance their qualifications and pursue Ph. D programs. At present 05 faculty members out of the total 07 have been awarded with Degree of Ph. D and other 2 members are pursuing research degree in the respective subjects. In the very near future, the college will decide a well-defined research promotion policy to be published. The main objectives of this research work is to contribute to the society through their research. The faculty publish their research through a leading publication firms. As an instance the present research output of faculty comprises the research papers published through reputed journals and conference proceedings.

Extension Activities: Through its extension work the updated knowledge is supposed to be disseminated for welfare of its stakeholders. Prof. Dr. Yogesh Wadkar has published a studious and wonderful book on "Indian Constitution Provisions" in July 2017 in collaboration with Prof. Dr. Prashant Vighe from Bharatiya Mahavidyalaya, Amravati, for the understandings of common men regarding the provisions of Indian constitution. He has further explained that how the knowledge of Indian Constitution among the common men will help them to protect from evil and illegal activities in the society. Prof. Dr. Dipak Raut, Head, Dept of Economics has published one of the essential and credible books on Salin Belt named "Maharashtratil Kharpan Pattayatil Sendriy Sheti", which is very helpful for the native people of Dahihanda and Prof. Diwakar Sadanshiv has published a book and has focussed on the issues of superstitions and evil customs in the villages through one of the renowned author book "Satwai".

3.4 Extension Activities**3.4.1**

Outcomes of Extension activities in the neighborhood community in terms of impact and sensitizing the students to social issues for their holistic development during the last five years.

Response:

The Students of Saraswati Kala Mahavidyalaya, Dahihanda are given exposure to the socio-economic issues faced by the under-paid, unprivileged rural lower class section of the society in the neighbourhood community. Henceforth, the extension activities conducted by the college has become strength of the college. Of this the major activities under this head are carried out through our NSS unit. This leads to their holistic development. The Saraswati Kala Mahavidyalaya, Dahihanda has formed the Environment friendly, the first of its kind in this region that enables the students to participate in extension activities and is working on creating the campus and its adjacent area.

The College has perform a prime role during Covid 19. It was an authorised Covid Centre for the nearby society and in this campaign the entire staff and some of the students worked very actively as a Corona Warriors and saved several lives Including Covid 19 Vaccination drive. The college has always taken an active participation to work in the nearby society which is as follows:.

1. Green Zone in the Campus.
2. During the session 2018-19, they have worked "Azadi Ka Amrut Mahotsav".
3. AIDS Awareness Program and Rallies.

4. Educational Awareness Programs.
5. Plastic Free Campus.
6. Program on Female Feticide as one of the burning issues in our society.
7. Sanvidhan Rally (To develop democratic values among the students)
8. Drainage Cleanliness
9. Bori Bandhara (Earthen Bandhara)-(To help in increasing the water level in the nearby society)
10. A Workshop on the Women's Legislative Rights.
11. Health Checkup Camp.
12. Baliraja Chetana Abhiyan. (To withdraw Farmers from suicide)
13. Women Empowerment Program
14. Legal Guidance to the nearby society.
15. Program on Women Safety and Security.
16. Swachha Bharat Abhiyan.
17. Program on Road Safety by the Police Department.
- 18 An E-waste corner is being created and the students have been made aware on the use of green and blue waste-bins to segregate dry and wet waste. The students were encouraged to penetrate such education among the slum dwellers.

3.4.2

Awards and recognitions received for extension activities from government / government recognised bodies

Response:

Saraswati Kala Mahavidyalaya, Dahihanda has been undertaking many extension activities and also

encourages students to participate in the allied activities. One of the most important initiatives in this regard is annual residential camp of 50 students in the nearby village through the NSS unit. As the college is situated in the rural area there is an ample scope and benefit to conduct extension activities so that the community around may be aware of the recent development in the field of not only education but also commerce and industry. This initiative helps to bring students to face the social reality and need of the society as a whole. They become aware about the opportunities and avenues where they are highly demanded and their calibre is to be utilized properly. Thus, the institutional extension activity connect students with the ground reality beyond theory. They learn by experience by doing the community work. In this regard one remarkable activity carried out by the institutions each year need to be strikingly mentioned is the Construction of road, Cleanliness drive and Earthen Bandhara to store running water which helped to increase ground water level in the village. For these activities, the Sarpanch and all villagers have appreciated the unit and given a letter of thanks to the college from various Grampanchayat. Therefore, the Grammandal Keliveli has appreciated our students and college by endowing Trophy and Certificates to our students and college. The entire village got influenced and felicitated all of us for our dedicated work.

1) Prof. Dr. Ganesh Pote, the NSS Coordinator of the institute was rewarded by "Best Team Leader Award" in the "**State Level Disaster Management Training Camp**" - AVHAN-2018.

2) Komal Bawane, BA II year student received the Runner Up Award for the Cultural Activities sponsored by Neharu Yuva Kendra, Akola Yuva Karyakram Evam Khel Mantralaya, Bharat Sarkar.

3) Prof. Dr. Sagar Narkhede received several awards for his contribution in the field of sports. One of the notable and prestigious award is State Level Dr. G. P. Gautam Award- "Best Physical Education Teacher Award 2019" and he had also received "Krida Sanghatak Award" in 2018 from Govt. of Maharashtra.

Criterion 4 - Infrastructure and Learning Resources

4.1 Physical Facilities

4.1.1

The Institution has adequate infrastructure and other facilities for,

- teaching – learning, viz., classrooms, laboratories, computing equipment etc
- ICT – enabled facilities such as smart class, LMS etc.

Facilities for Cultural and sports activities, yoga centre, games (indoor and outdoor), Gymnasium, auditorium etc (Describe the adequacy of facilities in maximum of 500 words.)

Response:

Saraswati Kala Mahavidyalaya Dahihanda campus is spread over in the area of 4 acres of land. The college is moderately equipped in terms of physical infrastructure for existing academic programs and administration. The campus and available infrastructure are adequate for its utilization towards not only academic but also various co-curricular and extra-curricular activities. Required class rooms, library and sanitation facility are well-equipped according to the needs of college students. Particularly, every classroom is equipped with writing boards. These Classrooms have proper LED lights arrangement and ventilation. Wooden desk and benches are installed. The college also provides facilities like -LCD projector with screen, CD, DVD, printer, internet facility to the teacher for teaching and learning process.

Administrative office along with principal's office have moderate furniture and facilities.

The central library is well-maintained with a reading room facility. It has students reading room, stack room, circulation counter and newspaper stands as well as daily update gallery. The college library has ample amount of text books, reference books, journals and magazines. In total our library has 4669 no. of books. For the students use two computer systems with latest configurations is available. Sources, like E-granthalaya, a Library software for automation of library. Library is partially Automated.

The college has a separate Girl's common room. The college infrastructure includes separate department for Political Science, Economics, Sociology, Physical Education, History and Marathi. The institute also has separate IQAC and Examination Cell. For the overall development of the students, college runs a NSS unit of 100 students which has its own office in the premises. College has spacious class room and multi-purpose hall.

The sports department is one of the spectacular departments of the college. The college has spacious playground admeasuring 3 acres which is available for outdoor games with well-maintained Volley Ball, Hand Ball, Kabaddi and Kho-Kho grounds. The indoor games facility such as Chess, and Carrom are available in the college. The college provides all necessary equipments of sports to the students for the participation in various sports tournaments. TA and DA along with sports playing kit are provided to the students when they participate in Inter-collegiate and Inter-University tournaments. As per the norms of the university, college gives incentive marks to these participants. It provides coaching and training and other necessary facility to the players. The department motivates sports students and nurtures the student's inner talent and skills in various games and sports according to their abilities. Every year, the

department organizes the International Yoga Day and Yoga and Meditation programs for the college students.

The college has limited financial sources which affects the development, enhancement and augmentation process of the college. The college still tries to captivate available and possible resources to fulfill the commitment towards development and improvement in the academic arena in this rural and lower socio-economical background. The staff members always motivate and encourage the students for active participation in inter-collegiate, inter-university, state, national level sports and cultural events for the overall development.

4.2 Library as a Learning Resource

4.2.1

Library is automated with digital facilities using Integrated Library Management System (ILMS), adequate subscriptions to e-resources and journals are made. The library is optimally used by the faculty and students

Response:

Library is automated with digital facilities using Integrated Library Management System (ILMS), adequate amount of open e-resources and journals are made.

The library is optimally used by the faculty and students

The library is the major learning resource of the institute and the library is partially automated. The work of library is done manually as well as by the software. At present the college is impling **E-granthalaya software 3.0** and is using as Integrated Library Management System (ILMS). Data entry work is in progress.

The library is a source of knowledge for Institute and provides adequate services to its user. **The library has a collection of 4669 books** (Text Books + Reference Books) and **09 periodicals** library fulfill the need of faculties, students and other staff members of the college community library also serves to outside users.

The library has a reading room which has a capacity of around 15 students.

Circulation of books is done manually. The library is having the membership of the National Digital Library. The library offers various services to its users like Circulation Services, Library Orientations, Inter-library loan Services and Reference Services. Most of the subject's e-book downloaded on desktop in the library. Students can download and store on his pen drive. Library department organised the Wachan Prerana Divas programme on the birth anniversary of Dr.A.P.J.Abdul Kalam dated on 15th Oct. 2020. On the birth anniversary of Dr. S. R. Ranganathan (Father of Library and Information Science in India) the library science department organized Online Quiz Competition and various students participated in this quiz competition and also arranged guest lectures on use of academic e-resources, Information literacy, etc.

4.3 IT Infrastructure**4.3.1**

Institution frequently updates its IT facilities and provides sufficient bandwidth for internet

connection

Describe IT facilities including Wi-Fi with date and nature of updation, available internet bandwidth within a maximum of 500 words

Response:

There are different digital technological facilities available in the college. A well-equipped computer lab is also functioning in the college. The students of the college can access the computer lab. The college building and the library building are facilitated with Wi-Fi connectivity. All the departments of the college are provided with computers and other related accessories. All teaching staff members use the ICT in the classrooms and laboratories, whenever needed. The different educational sites are shown to the students with the help of digital devices. Most of the official work is being done with the help of ICT. The college regularly maintains the IT facilities.

Following are some basic facilities for updating: The computer is formatted on a regular basis and software is installed on the basis of requirements. The college itself formats the computer without no fees and with the help of a computer operator. Anti-virus is regularly installed on computers. CCTV is installed in the college premises. The college website is updated.

There are 15 computers in Computer lab and 03 computers installed in library for the use of students where they can access educational sites and at the same time they can solve various MCQs for the preparation of Competitive examinations. For the Administrative Work there are 03 computers, 01 Scanner and 04 Printers available. Internet is being used through Wifi Routers. 08 DVR-CCTV cameras are installed in the campus. The college has Dynamic Website and it is being updated on regular basis.

Criterion 6 - Governance, Leadership and Management

6.1 Institutional Vision and Leadership

6.1.1

The institutional governance and leadership are in accordance with the vision and mission of the Institution and it is visible in various institutional practices such as NEP implementation, sustained institutional growth, decentralization, participation in the institutional governance and in their short term and long term Institutional Perspective Plan.

Response:

Vision:

- To impart quality education to rural youth and economically backward classes to enhance employability and life skills in terms of Arts, Culture and Sports and also grow the competitive spirit among our students.

Mission:

- To provide excellent academic atmosphere and enhance quality education.
- To aim at overall personality development of the students through extra-curricular activities in association with various Social and Cultural organizations.
- To provide a platform to the students by giving them an opportunity to face all the challenges of the competitive world with almost utilization of their potential in sports, and other events.

Continued Organized Growth: The sustained institutional growth is achieved through various quality initiatives carried out by IQAC. It includes the initiatives such as the start-up of new courses and an increase in intake.

Decentralization: The approach is followed for the conduct of all academics, extracurricular and co-curricular activities through various institutional working committees. The Roles and Responsibilities of Various committees are as follows:

Academic Committee : Maintain academic standards and supervise all academic activities of the college. Monitor admission of students with respect to prevailing norms of the University/State Government. Frame regulations consistent with University norms to conduct examinations and initiate measures for improving the quality of teaching, student evaluations, and student advisory system in the college. Make regulations for sports and extra-curricular activities. Conduct the meeting to discuss academic performance and take decisions accordingly.

Research & Development Committee: Collect information regarding various funding agencies and their grants available. Collect and circulate information related to format, deadlines, eligibility criteria, etc. Doing application to various funding agencies for grants and process the application for various grants for projects, conferences, seminars, workshops, etc. In accordance with the academic requirement, feedback from stakeholders, etc. Encourage faculty members to undertake sponsored research, continuing education, and other related activities. Institute also vigorously promotes research activities.

Program Assessment Committee (Feedback Committee): Prepare various Program Assessment Forms Revise the Program Assessment Forms as per the requirement Collect and analyze feedback received. Prepare a summarized report on feedback and submit it to the Principal. Finalise Summary report with revision (if any) after discussion with the Principal. Prepare and distribute action to be taken and report to the concerned faculty/ staff. Compile action taken report and submit it to the Principal.

Examination Committee: Schedule and regulate the Sessional / University Examinations (Theory and Practical) in accordance with the college academic calendar and SGBAU calendar in the running semester. Chart-out the duty sheet at the time of commencement of sessional and university examinations like sessional theory/practical, university examination. Monitor the various exam-related work like evaluation of answer sheets, entry of marks, result analysis, etc. Schedule and execute university examination-related work/ duties like submission of university papers to the CAP center, submission of sessional marks to the university, etc. as per the deadline. Prepare and submit a list of faculty who are eligible as an external examiner and also give a list of Evaluators and Paper Setters to University Exam Work.

6.2 Strategy Development and Deployment

6.2.1

The institutional perspective plan is effectively deployed and functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment, service rules, and procedures, etc

Response:

The Institution, **Saraswati Kala Mahavidyalaya, Dahihanda**, since its establishment in 2000 has witnessed visible growth in the past years in the areas of academic and infrastructural development. To accelerate and accomplish the growth of the institution, it has a perspective strategic plan and deployment that reflects the path paved for the future of the institution. The perspective plan has been drafted with the appropriate involvement of IQAC and all stakeholders with the approval of the staff council and Principal. The institution has Long term Strategic Perspective plan for continuous improvement and moves toward the realization of its vision, mission, and core values. The strategic plan is deployed and reviewed from time to time by obtaining feedback from stakeholders and various academic and administrative bodies.

The aims and objectives of the perceptive plan.

- To review the existing administrative structures.
- To achieve global excellence in academics, teaching, and learning

- To facilitate student-centric development.
- To conduct Quality Audits
- To promote research and development
- To identify sources and mobilization of funds.
- Experimental and Demonstrative Teaching Learning Process to Impart skill-based education in the Institution.
- Inter-disciplinary research will be encouraged.

Institution Strategic Goals:

- 1. Accreditation & Ranking
- 2. Teaching and Learning
- 3. Research and Development
- 4. Alumni Interaction
- 5. Collaboration and MoUs
- 6. Student development and participation
- 7. Staff development & welfare
- 8. Entrepreneurship
- 9. Library, ICT, and Physical Infrastructure / Instrumentation

Strategic Planning:

- Introduction of more futuristic skills and life skills based Add on/ Certificate courses to be introduced
- Pedagogical Innovation-to be encouraged and introduced in teaching-learning
- Use more teaching aids and adopt more ICT Development of teaching plan
- Preparation of Lesson Plan based on CO & PO mapping Development of e-learning resources
- Promote research culture & facilities Provide mentoring and personal support
- Follow a transparent and fair feedback system and conduct training based on need analysis
- Evaluation parameters and benchmarking
- Continuous assessment to measure outcomes

Research and Development:

Apply for Government/Non-Government industry, sponsored funds

Collaborations with Government & Private Institutes, Universities, and Research Organizations

More Initiatives should be taken to encourage students for Start-ups and Entrepreneurship.

Faculty members are to be involved in consultancy work using their own expertise.

6.3 Faculty Empowerment Strategies**6.3.1**

The institution has performance appraisal system, effective welfare measures for teaching and non-teaching staff and avenues for career development/progression

Response:

Empowerment in education refers to giving all faculty members the chance to participate in the decisions that affect them. Teacher empowerment is the process in which faculty members develop the competence to take charge of their own growth, solve their problems and meet the needs they require for the institution. The parent University believes in value-based, culture-oriented and quality education which is

based on faculty empowerment strategies and for this purpose University organize various programmes such as Conferences, workshops, Faculty Development Programmes, Seminars, etc. in which the faculty are actively involved. Besides this, University encourages faculties to attend faculty development programmes like Refresher Courses, Orientation Programmes and Short term Courses organized by other institutions. The University encourages its faculty to publish at least two research papers every year. The Institute follows the parent University's path and motivates the faculty members to attend it. The Institute improves the competence of the faculty in their own subjects by preparing the study materials on their own which are used as course material by students in the subjects taught by them. These programmes' success pave the path for faculties for promotion under **Career Advancement Scheme**. Empowerment of non-teaching staff plays a pivotal role in the execution of plans and policies of the Institute for overall development. For this purpose, the Institute motivates them to take part in training programmes for non-teaching staff such as computer proficiency and use of technology in their respective field of work. The institute has set high standards for imparting quality education and thus inducts faculty with higher academic profiles, urge to excel in their respective fields and serve the students and the institution with dedication and high-quality standards. All the faculty members inducted are qualified and competent teaching in all the related academic courses. For the non-teaching staff, the institution motivates them to take part in computer proficiency upgradation programmes, training on equipment, preparation of reagents, cleaning and maintenance of glassware, equipment etc, to achieve the desired standards. The non-teaching staff has been motivated to undergo demonstration programmes and to participate in different Seminars, Workshops and Training Programmes related to their field.

Along with these, the institution provides welfare measures like:

- Incentives to teaching and non-teaching staff on the basis of their performance as per University Regulations.
- Research awards for well-worthy projects and publications.
- House loans and Provident funds to teaching and non-teaching faculty.
- Loans to desired teaching and non-teaching staff.
- Medical leaves and other leaves as per University guidelines.
- Research / academic awards to teaching staff.

6.4 Financial Management and Resource Mobilization

6.4.1

Institution has strategies for mobilization and optimal utilization of resources and funds from various sources (government/ nongovernment organizations) and it conducts financial audits regularly (internal and external)

Response:

The college follows well planned and systematic strategy for fund mobilization. The college maintains a transparent and accountable financial system for the effective utilization of resources for funds. The college requires funds for salary, infrastructural development, routine academic and non-academic activities, sports, games, arts and cultural programmes, competitions, participation in university and inter-university sports and games, for providing scholarships and other kinds of financial assistance. The college sends a proposal seeking grants from various government and non-government agencies. Efforts are also made to generate funds for infrastructural development from philanthropists. The Governing body of the college coordinates fund mobilization and effective utilization of funds for infrastructure development.

Sources for College funds are as follows:

1. Grant-in-Aid from Government: Financial assistance from the government.
2. Scholarships: Scholarships and Grants for students from different departments of both state and central governments.
3. Funds from University for conducting examinations
4. Funds for NSS activities
5. Funds provided by the management Utilization of Funds: Management funds are utilized and

accounted for by the office of the Management Committee. The funds are utilized according to various sections, such as salaries of the temporary staff, infrastructure maintenance, staff welfare, student welfare, etc. Government funds are utilized according to directives in purchase manuals, orders, and circulars from the Government of Maharashtra. The purchase committee seeks quotations from vendors, scrutinizes the purchase procedure, and monitors the effective utilization of Government funds.

The CDC plays a vital role in this regard.

Financial Audits: All daily transactions are cleared by the accounts section and verified by the secretary of the management committee. The management funds and all accounts sanctioned are audited internally as well as externally. The internal audit of management accounts is done by the treasurer of the committee regularly. External audit is done by chartered accountants and the balance sheet and other financial statements are taken care of and cleared by the college governing body.

6.5 Internal Quality Assurance System

6.5.1

Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes. It reviews teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals and records the incremental improvement in various activities

Response:

Internal Quality Assurance Cell (IQAC) of Saraswati Kala Mahavidyalaya has been set in the year 2018 through a resolution of the formal meeting of college CDC. Right from the establishment of IQAC, it has been working on all the significant aspects of development. For that IQAC has been constantly calling the meetings and taken some radical decision for the welfare of the institute. Since the time of its constitution, and the IQAC has contributed significantly for enhancing quality of teaching-learning by adopting a strategic process. It has been reviewing the teaching learning process as well as provided structures & methodologies for operationalization in the direction of achieving the learning outcomes at periodic intervals. The IQAC has created a policy document and records showing incremental improvements in various activities. To make it more specific following is the list of significant contribution in bullet forms:

IQAC Initiatives

Developed a mechanism to monitor and supervise the working of various internal committees in the institute.

Prepared a well-planned academic calendar to undertake curricular, cocurricular and extracurricular activities.

Developed a mechanism to obtain feedback on curriculum and teaching learning process from all the stakeholders.

Organized various programmes, workshops and faculty development programs for staff and students.

Promoted research culture among the faculty and students.

Promoted use of ICT in teaching-learning process.

Automation in various administrative works through Wi-Fi .

Subscription of E-granthalaya and LMS (Library Management Software) for library automation.

Encouraged collaborative learning through MoUs in the field of Competitive Exams and Sports.

Started new Pouch, Add-on & Certificate Courses in various subjects.

Infrastructural Development: Library, Gym, Classroom, Multi-purpose Hall, Principal Office, Computer Lab, Girl's Toilets, etc. been developed. The institute also work to develop the culture as per NAAC Core Values.

Also taken great initiatives in Green Campus by planting Neem and Bamboo Saplings.

Developed a culture of Cleanliness and Plastic Free Campus.

Criterion 7 - Institutional Values and Best Practices

7.1 Institutional Values and Social Responsibilities

7.1.1

Institution has initiated the Gender Audit and measures for the promotion of gender equity during the last five years.

Describe the gender equity & sensitization in curricular and co-curricular activities, facilities for women on campus etc., within 500 words

Response:

Safety and Social Security:

The institution accords utmost priority to the safety and security of not only the students but also of the staff, and ensures an absolutely vigilant system so that every student, especially girl students, will feel secure and protected to pursue their educational endeavors. In this regard, great initiatives have been taken by the institution to foster gender equality and gender sensitization programs, thereby ensuring the safety of girl students. Therefore, various programs have been organized by the institute to awaken the girls students about their safety and security. To have a hawk eye, the institution installed CCTV at key places in the campus and also in all the classrooms for round-the-clock vigilance.

Anti-Ragging Committee:

Saraswati Kala Mahavidyalaya, Dahihanda has zero tolerance for ragging and is proud to state that they are ragging-free. Students are informed to follow the act and ensure a ragging-free campus. To ensure compliance with the UGC Regulations on curbing the menace of ragging in higher educational institutions, 2018, the Anti-ragging Committee is nominated and headed by the Principal and comprises representatives as prescribed by the UGC Regulations, including civil and police administration, local media, Non-Government Organizations involved in youth activities and representatives from the institute. The committee will ensure compliance with the provisions of the Anti-ragging regulations; monitor and oversee the performance of the Anti-Ragging Squad in the prevention of ragging in the institution.

Students Grievance Committee: The cell is intended to find solutions for grievances like physical or mental harassment, complaints regarding classroom teaching, classroom management, completion of syllabus, teaching methodology, infrastructure maintenance and up gradation, etc. if and when they arise.

Aim:

To develop a responsive and accountable attitude among all the students in order to maintain a harmonious educational environment on campus.

Objective: The objectives of the Students Grievance Redressal Cell are: To develop an organizational framework to resolve grievances of students To provide the students access to immediate, hassle-free recourse to have their grievances redressed To identify systemic flaws in the design and administration of

various departments and to seek solutions thereon To institute a monitoring mechanism to oversee the smooth functioning of the College.

Discipline Committee: The discipline committee is formed to ensure a calm and peaceful academic atmosphere in campus.

Objectives: To develop norms to regulate the behavior of students. To initiate steps to reduce violence, confrontation among students. To encourage good and healthy practices.

The Girls' Common Room is located next to the staff room of the teachers. There are books, magazines, sanitary napkins and some recreational books. Every student can avail the services provided in the Common Rooms. It is a great place for girls students to go and chat and just generally relax.

7.1.4

Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and Sensitization of students and employees to the constitutional obligations: values, rights, duties and responsibilities of citizens (Within 500 words)

Response:

India is a vast country, with people belonging to different religions, community, caste, creed, culture and languages living amicably for centuries together. The rich traditions of tolerance, perseverance, plurality and assimilation have kept the identity of the country intact, and civilization thriving. Now a days, it is our duty to maintain such communal harmony to unite country. For this purpose we are always ready to contribute to maintain integrity and peace. The institution's initiatives to maintain harmony and tolerance etc.

7.2 Best Practices

7.2.1

Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual

Response:

Best Practice – 1

Environmental Awareness Campaign - (A Practice for Better Tomorrow)

1. Objectives of the practice

- 1.Students should develop a harmonious attitude towards the environment and human being.
- 2.Students should develop their own positive mindset with knowledge, understanding, skills, awareness and real experience about the environment.
- 3.To increase the quality of the environment and create public awareness about the problem and conservation.
4. Improving the quality of environment in our country.
- 5.To become a socially responsible citizen.

2.Context

The main aim of the practice is to impart knowledge, create awareness, develop an attitude of concern

and nurture the necessary skills to handle the environmental issues and challenges. The rural village region and green landscaping of college are the necessary features for shaping and sustaining an eco friendly atmosphere.

3. The practice

1. Plantation- Every year trees are planted in the college and nearby villages by the students to create awareness about the environment. Every year about 100 samplings are planted by our staff members and students.

2. Organizing workshops- The college organized a workshop to create Water Pots for birds which will be highly useful during Summer and also teach them to use natural colors instead of chemical colors while celebrating Holi. Students were also given knowledge on how to create seed ball and how to plant it.

3. Leaflet Distribution- In order to create awareness among the common people about the environment, leaflets were distributed in various villages by the students..

4. Water conservation projects -Under the project of 'Earthen Bandhara', the institute do water conservation every year.

5. Conducting lectures- On the occasion of Wolrd's Earth Day, World Environment Day and World Water Day, various lectures were organized on the importance of Tree Plantation among the students in the college.

6. Organizing the tour and various competitions- Slogan competitions, quizzes and an educational tour is organized every year in the college.

7. Work for Livestock- During summers, when the animals do not get water, arrangements are made by the students of the college in their homes for the birds and panavathas were prepared in the college and other villages to provide water to animals.

8.Plastic Elimination Programme- Under the plastic elimination programme, plastic was collected from Fatepuri Nala and Shahanur River, Government Hospital and a rally was organized.

Evidence of Success

- 1.Through the various activities students are made aware of environmental issue.
- 2.Environment awareness helps students understand how their decisions and actions affect the environment.
- 3.Through periodical tree plantations, flora and fauna on the campus have been enriched.

Problems Encountered and Resources Required

1. Lesser awareness among the students and community towards environmental issue aggravates the problem levels.

2. People have no knowledge about the factors that come in the environment and the inter-relationship of those factors.
3. It is difficult to make people understand about environment.

Best Practice 2 -

Health Awareness Program

Objectives of the practice

- 1.To create awareness on various health or wellness related topics among students and public.
- 2.Sensitizing girls and women about their health.
- 3.To support girls and bring awareness on menstrual and gender related issues
4. To create awareness among the parents regarding girls' early marriages to avoid health and medical issues.

The context-

Our college students are from utmost rural areas. Those students do not know about diet and health. Therefore, it has become more important to monitor the health of students. Due to the growth of consumer society and environmental pollution, students are one of the most vulnerable groups, who face a certain amount of negative changes. At the same time, there is a dirty settlement around the college. There is no health awareness among the people there. Therefore, it is very important to create public awareness about health among the students in the college and in the locality. If we develop an interactive Health Awareness system that would teach the students about health consciousness, we would be able to make the students aware of healthy food life style.

Practice-

1.Programs of Blood donation and Health Checkup Camp- To create healthy atmosphere and awareness programmes, the institute organised Free blood donation camps and health checkup camp on regular basis.

2. Covid-19 related practice- Public awareness was created in the society about Covid-19 through pamphlets, lectures. Simultaneously, 1000 masks of N95 were distributed by students from village to village. The institute was an authorised Covid-19 Centre with 20 beds and Vaccination camp was organized in the college. Special funds for Corona were donated to the Government of Maharashtra. Our staff members also worked as a Corona Warriors.

3. Programs on Women's Health - Women's health is being neglected due to society's customs, traditions, superstitions, lack of medical facilities and neglect of personal health. The prevalence of the disease is increasing among women. Therefore, lectures on women's health and daily diet are organized

in the college, hemoglobin test, nutrition chart information, distribution of iron medicines are conducted.

4. Programs on Yoga- Yoga is essential for all-round improvement and intellectual development such as health, peace of mind, personality development, morality. For this, programs like webinars, seminars, Certificate course, lectures, quiz, surya namaskar are conducted in the college.

Evidence of success-

With a view to improve awareness a series of lectures organized on yoga, women health, healthy food and Covid -19, etc. have been taken up to spread the message of prevention and promotion of health through wellness practice throughout the year. Student also participate in health awareness program and also yoga programs. This consciousness in the students community is looking towards more and more success.

Problems Encountered and Resources Required

1. Dealing with different people, adapting to change and keeping people motivated are universal challenges face in any program.
2. Women and girls in rural areas are not ready to tell about the disease.
3. Poverty is a major obstacle to obtaining a nutritious diet.

7.3 Institutional Distinctiveness

7.3.1

Portray the performance of the Institution in one area distinctive to its priority and thrust within 1000 words

Response:

Saraswati Kala Mahavidyalaya, Dahihanda was established in the year 2000. It has been working for the educational, social and economic development of students for last 23 years. The college is located in utmost rural area, most students are from rural farmers and labor classes. Therefore, our students are economically weaker, and share economical responsibility of their families, hence they cannot take their education regularly. We are trying to bring them into main stream of education. We think our college

should not only be a centre of formal education but it should also inculcate human values and ethics among people of this region.

A number of innovative and outreached activities undertaken by the college clearly exhibit that the **institutional distinctiveness** is "**Our institute is an institute for Society**". It is a unique granted college among 26 villages. Mostly girls students are getting admitted due to the safety and security perspective. The significant traits of distinctiveness are Teacher-student relationship, Green Campus and sports facilities. Our visits to nomadic settlements and old age homes, guidance for competitive examinations, guidance for female education and pre-marital counseling etc. Parents in rural areas are not very keen on sending girls for education but the enrollment of girls in our colleges is more than boys. The effort of our college is to develop self confidence among girls students. We provide thorough guidance regarding medicine and diet. For the safety of girls, the college also has CCTV cameras installed. Along with the academic development of students, various sports are also given priority in the college for physical development. For this, sports equipments and playgrounds are available in the college. The sports equipments and playgrounds are also used by students from other colleges. This initiative taken by our Physical Education department provides financial as well as sports facilities to the students. Students of various schools practice **kabaddi and volleyball** on the field every day. More than **22 Color holders** are awarded by SGBAU Amravati University for their outstanding performance in various sports at university level during last five years. Students have participated in National, State and Inter Collegiate level sports such as Wrestling, Boxing, Handball, Athletics, Volleyball, Kabaddi, Baseball, Softball. More than **70** students have been participated in various sports at university, state and national level. There is an international player named Pravin Jadhav who had participated in Tokyo Olympic 2020. Shri. Pravin Jadhav, archer who had got maharashtra government state level prestigious award '**Shiv Chatrapati Award**' in the year 2019. Students need specialized guidance in various subjects to survive in today's competitive era. Guidance is provided by college teachers as well as expert guides for competitive exams. It definitely benefits all students. Many students have achieved good results in competitive exams. To remove fear of examination the students are guided about the examination and if there are any problems regarding the result, they are resolved by the **Examination Grievance Redressal Committee** and the students are guided in this regard from time to time. The college tries to create social awareness and a sense of responsibility among the students. At the same time, the college tries to spread the thoughts of different saints and social reformers in the society through various programs on cleanliness, environmental protection, gender equality etc. However, the college becomes the '**college for society**' in various dimensions.

5. CONCLUSION

Additional Information :

Highly admired rural institute of higher education came to fruition bearing testimony to the vision of our hon'ble, emancipatory leader, Shri Diwakar Gawande, the president of "**Karmyogi Aappasaheb Pratisthan, Sangwa Mel, Tq.-Murtizapur, Dist-Akola**", who has been working on the mission of providing quality education to the rural society. In his life tenure many families' heir have secured their future by achieving dignified posts of government and public service with the blessings of this leader. We feel blessed to have our share in this noble work as an employee serving as Associate and Assistant Professors, doing research and teaching. The management have always been co-operative and inspiring to undertake all required initiatives for the benefit of students and the society at large.

Dahihanda is a small village known for "Agitation of Salt" which had happened before independence. There are so many philanthropic and visionary people born in the village like Shri Dalu Guruji, Dilip Goenka, Vinit Goenka etc. The village is also known for enriched cultural and traditional values. We feel privileged to be the part of such a noble land. Our college is also providing knowledge to the diverse socio-economic classes of around 26 nearby villages.

Concluding Remarks :

The curricular activities in the line of curriculum designed and developed by the parent university is effectively implemented with due consultation of university academic bodies in which our faculty has also contributed as and when required by giving suggestions from the ground zero to build curriculum suitable to the needs of the poor and the rural students. To bring quality in Teaching- Learning and Evaluation system, the faculty from this institute always are at the front such as facing teachers training, orientation and refresher that help to link them to elevate the students learning suitable to the need of time. They also take initiatives in university exam work such as paper setting, and evaluation. To enhance research in the respective areas of their study the faculty attends subject related conferences, seminars and even they publish their research work through reputed journals and magazines. To with the help and financial assistance of the management, the college could develop moderate infrastructural facilities which are good enough and sufficiently congenial to create interest in studies and to attract students towards college as a centre of higher education learning. The college central library functions as a repository as well as a source of knowledge and information. All the books related study i. e. text books and reference books are made available by the college library to quench the reading thirst of student. To avail support services, the college has taken special care by informing its administrative staff who always rush to help the students. Students are given assistance to get scholarships provided by government and other agencies. The governance of the college is under the management through administration. The principal is the performing head of this college who take decisions to create quality academic atmosphere smoothening the teaching-learning process. The focus is on decentralization of power to bring harmony in the functioning of institution. Two best practices are chalked out unanimously after a round of discussion by the faculty and the head which elucidated in details in the criteria seven of this Self Study Report.

Answer After DVV Verification :

2022-23	2021-22	2020-21	2019-20	2018-19
51	63	80	46	66

2.6.3.2. Number of final year students who appeared for the university examination year-wise during the last five years

Answer before DVV Verification:

2022-23	2021-22	2020-21	2019-20	2018-19
---------	---------	---------	---------	---------

3.3.1

Number of research papers published per teacher in the Journals notified on UGC care list during the last five years

3.3.1.1. Number of research papers in the Journals notified on UGC CARE list year wise during the last five years

Answer before DVV Verification:

2022-23	2021-22	2020-21	2019-20	2018-19
4	0	1	0	0

Answer After DVV Verification :

2022-23	2021-22	2020-21	2019-20	2018-19
0	0	0	0	0

3.3.2

Number of books and chapters in edited volumes/books published and papers published in national/ international conference proceedings per teacher during last five years

3.3.2.1. Total number of books and chapters in edited volumes/books published and papers in national/ international conference proceedings year wise during last five years

Answer before DVV Verification:

2022-23	2021-22	2020-21	2019-20	2018-19
03	08	00	01	02

Answer After DVV Verification :

2022-23	2021-22	2020-21	2019-20	2018-19
---------	---------	---------	---------	---------

0	4	00	1	3
---	---	----	---	---

3.4.3 ***Number of extension and outreach programs conducted by the institution through organized forums including NSS/NCC with involvement of community during the last five years.***

3.4.3.1. Number of extension and outreach Programs conducted in collaboration with industry, community, and Non- Government Organizations through NSS/ NCC etc., year wise during the last five years

Answer before DVV Verification:

2022-23	2021-22	2020-21	2019-20	2018-19
21	15	01	03	21

Answer After DVV Verification :

2022-23	2021-22	2020-21	2019-20	2018-19
4	2	01	02	4

3.5.1 ***Number of functional MoUs/linkages with institutions/ industries in India and abroad for internship, on-the-job training, project work, student / faculty exchange and collaborative research during the last five years.***

Answer before DVV Verification : 11

Answer After DVV Verification :3

4.1.2 ***Percentage of expenditure for infrastructure development and augmentation excluding salary during the last five years***

4.1.2.1. Expenditure for infrastructure development and augmentation, excluding salary year wise during last five years (INR in lakhs)

Answer before DVV Verification:

2022-23	2021-22	2020-21	2019-20	2018-19
3.195	3.577	1.543	4.300	1.834

Answer After DVV Verification :

2022-23	2021-22	2020-21	2019-20	2018-19
0.496	1.109	0.514	1.467	0.2

4.3.2 ***Student – Computer ratio (Data for the latest completed academic year)***

4.3.2.1. Number of computers available for students usage during the latest completed academic year:

Answer before DVV Verification : 18

Answer after DVV Verification: 18

5.1.3	<p>Percentage of students benefitted by guidance for competitive examinations and career counselling offered by the Institution during the last five years</p> <p>5.1.3.1.
